

GIOTTO ELASTIC

The Giotto Elastic mattress is designed for comfort, practicality and easy care. Its Stretch Mirelle cover is hypoallergenic, breathable and fully removable for simple cleaning. Inside, two specialised foam layers work together to offer elasticity and support: one is more compact for a firmer, more supportive feel, while the other is softer and more dynamic for added comfort. Because the mattress is fully reversible, you can choose between two distinct firmness levels, 4 and 8, simply by flipping it to the side that suits you best.

- Height 22cm

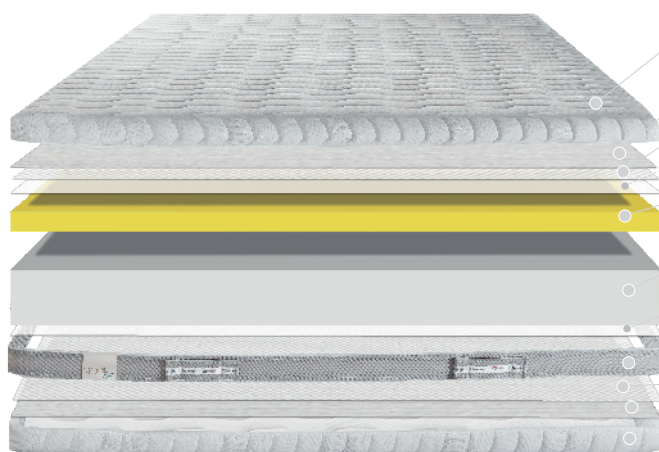

CASING CHARACTERISTICS

SCALE OF RIGIDITY 4 - 8

Balanced

BALANCED FOR COMFORT

The Giotto Mattress is designed for balanced comfort, with internal layers engineered to adapt to your body, relieve pressure points and maintain proper spinal alignment. Its uniform surface provides the same level of comfort and stability whether you sleep in the centre or at the edge, creating a harmonious blend of support and softness for a wide range of sleepers.
