

# Space 5100 Power Recliner

A staple of modern Scandinavian design, our Space range provides the perfect stylish touch to your living area. Sleek, modern lines and plush, padded cushioning covered with a luxurious fitted upholstery are what makes our Space recliners both stylish and comfortable. With Space Power, upgrade your relaxation with a motorized footrest for the smoothest recline.

Simple yet practical, the Space 5100 Power recliner places comfort at the centre with its welcoming, laid back design. Featuring a contoured backrest cushion with soft padding and minimal stitching detail, this recliner provides the perfect space in which to sit back and relax. With a delicately curved motorized footrest and arms, it also brings a touch of elegance to the living area.

## Functions - Features

### Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

### Comfort-Precision Multi-Flex Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

### Height-Adjustable Headrest

Enabling the headrest to be adjusted for taller individuals.

### 360 Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.

### Solid Frame Construction

A steel and hardwood frame provides durability and strength.

### Steel Interior Springs

Located throughout the back and seat provide optimum support whilst cradling the body.

### Motorized Back Recline

Ease into a smooth, gentle recline with our motorized backrest operated using a second power button.

### Motorized Integrated Footrest

With Space Power, receive a powered integrated footrest operated at the push of a button, and choose your preferred angle.

The IMG Promise
