

Space 5400 Chair and Footstool

Recliner

A staple of modern Scandinavian design, our Space range provides the perfect stylish touch to your living area. Sleek, modern lines and plush, padded cushioning covered with a luxurious fitted upholstery are what makes our Space recliners both stylish and comfortable. With a matching, ergonomically sloped footstool, they provide all you need for supportive relaxation.

The Space 5400 Family presents an exquisite combination of sophisticated style and comfort. From deep line vertical stitching in the backrest to enhance the sumptuously soft cushion padding, to a graceful profile and curved armrests with wood veneer- opt for elegance with Space 5400. The matching footstool also creates the perfect co-ordinated look while providing a comfortable place to put up your feet.

Functions - Features

Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

Comfort-Precision Multi-Flex Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

Height-Adjustable Headrest

Enabling the headrest to be adjusted for taller individuals.

Freestanding Footstool

The matching footstool is ergonomically sloped to provide better leg support and aid blood circulation.

Steel Interior Springs

Located throughout the back and seat provide optimum support whilst cradling the body.

Comfort-Glide System

Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.

Solid Frame Construction

A steel and hardwood frame provides durability and strength.

360 Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.

The IMG Promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

Warranty - See warranty policy for more details.

- 10 years On molded foam cushions and steel frames
- 5 years On mechanisms
- 2 years On leather and fabric covers
